

ONAP TRAINING

Admissions and Occupancy

VIRTUAL TRAINING

June 4-6, 2024 | 9:00 am – 4:00 pm Pacific Time

Housing Admissions and Occupancy responsibilities are at the heart of the rental housing program. Often occupancy specialists are the face of housing to many residents. Participants can expect to gain an understanding how Native American Housing Assistance and Self-Determination Act (NAHASDA) policies and program requirements impact the Admissions and Occupancy (A&O) process. Board and management can learn more about developing and applying tribal policies and procedures that are clear, support staff, and promote equitable and compliant programs.

TRAINING

Participants at this 3-day virtual training will receive instruction based on real-life examples on how to successfully operate an effective A&O program. As a part of the training, participants will receive guidance on and take part in interactive exercises on the “A-to-Z” of A&O program. Training topics will include eligibility, wait lists, rent calculations, collections, inspections, and lease compliance. Discussions will be held on how Admissions and Occupancy staff may need to collaborate with maintenance on tasks such as work-order processing, unit turn-around, and tenant education on the basic maintenance of the unit.
