

HUD's Office of Native American Programs Training Announcement

NAHASDA Essentials

Overview

Under the Native American Housing Assistance and Self-Determination Act of 1996 (NAHASDA) (25 U.S.C. 4101 et seq.), HUD provides grants, loan guarantees, and technical assistance to Indian tribes and Alaska Native villages for the development and operation of low-income housing in Indian areas. Grants are made to eligible recipients under the Indian Housing Block Grant (IHBG) program. Grantees receiving funds under this program are responsible for meeting the requirements of NAHASDA and its implementing regulations.

Training

This exciting and interactive three-day training will provide attendees with a comprehensive introduction to the Native American Housing Assistance and Self Determination Act of 1996 (NAHASDA).

Participants will become familiar with all program activities, including rental housing, homebuyer programs, rehabilitation, and housing and crime prevention services. Other major topics that will be covered include the Indian Housing Block Grant (IHBG) formula, eligible program participants, income verifications, other federal requirements, financial management and program administration.

This foundational course will acquaint tribal and TDHE staff with the basic requirements of the IHBG Program and opportunities that are available. The training will be presented through case studies, group discussions, team games, lectures and hands-on exercises.
